The Lioness is a 6 reel by 4 row, 40 payline videoslot showcasing MMA legend and UFC champion, Amanda Nunes. As Armadillo Studio's first branded release, **The Lioness** slot features massive Nunes stacks triggering the fight feature, a Lioness Link with Prizepots, and a first round knock out free spins, an entertainment slot filled with action!

The Lioness, centered around the greatest female MMA fighter of all time, naturally has a feature frequently triggering a variety of attacks, each contributing to an increasing multiplier! Lands full stacks of 3 columns or more to get the action. Want to add an extra punch to the feature? Enable the fortune bet for stronger attacks delivering higher multipliers.

Land 4 or more Lioness Scatters to trigger the Lioness Link. When triggered, every symbol gives a random credit prize as well as a chance at one of the 4 prizepots, immediately apparent when the lioness matches the color. Fill the entire 24 position grid for the top prizepot!

3 or more championship belts triggers the free games. During the free games, the massive stacks are composed solely of Amanda Nunes variants, making it even easier to land full screen animations and trigger the fight feature. Furthermore, multipliers awarded from the feature are persistent, giving more and more win potential as the free spins progress.
